**VAUGHAN'S**  
A. POLACK  
HAS great pleasure in announcing to the Inhabitants of New South Wales, that he has been honored with Instructions from the Proprietor  
W. C. Wentworth, Esq., to submit to public competition at an early day as soon as the Surveyors Plans are ready. A portion of that splendid and unequalled MARINE STRAITS, known as VAUGHAN'S, situated in those fine "LAND LOCKED" bays of Port Jackson Harbour called  
Watson and Rose Bays.  
This situation is beautiful, and commands a perfect view of the Head Lands and summits of the various Bays and inlets of the truly romantic Harbour in which it is situated, both on the East and West sides thereof, from the North and South Heads to the Parramatta River, taking in the Town of Sydney and having the Blue Mountain Range in the Western Horizon.  
THE NEW SOUTH HEAD ROAD passes through the Estate, which makes its distance from the Capital about four miles along a good and lively Road, it also abounds with the same distance by Water, so that Conveyances at all seasons are practicable, a desideratum of great importance, as Gentlemen in Public Office (particularly those with Families) might here live economically and conveniently, "The rising Village of Watson's Bay, the celebrated Point Piper Estate, the residence of Major Gibbs, &c. &c. are contiguous, and it is within "gun shot" of the "South Head Light House" and "Flag Staff," consequently has an unbounded view of  
THE SOUTH PACIFIC OCEAN.  
It is also situated that every Vessel entering in or going out of the Harbour, should pass almost within hail, so that in this particular it may be compared to the celebrated fashionable watering place "South end" at the mouth of the Thames.  
For the site of an Establishment for the accommodation of Invalids and Officers of leave of absence for health, from India, another spot in the Colony could not be found, as "Sea Bathing" so requisite for such persons, may here be enjoyed in reality, unassisted, also at hand in Boating, Fishing, Shooting &c. The Proprietor has decided that about  
Four Hundred Acres of the magnificent Estate shall be divided into spacious allotments, varying in size, when the same is completed by the Surveyor a more perfect description will be notified prior to the day of Sale.
