### PHOTOGRAPHIC SERIES P861 – JOHN BUCKLAND COLLECTION

#### REVISED FOLDER LIST 2019

##### NEW SOUTH WALES

N1/1 Sydney Central and Terminal.

N1/2 Sydney city railway, Harbour Bridge and North Shore.

N1/3 Illawarra line Redfern to Loftus. Bankstown, East Hills and Cronulla lines.

N1/4 Southern line from beyond Lidcombe and Granville to Macarthur.

N1/5 Western line to Penrith, including Carlingford and Richmond/Kurrajong lines.

N1/6 Northern line from Strathfield to Cowan.

N1/7 Campbelltown – Camden line.

N1/8 Enfield, Chullora, Eveleigh and Metropolitan Goods Line.

N2/1 Illawarra line from beyond Loftus to north of Wollongong.

N2/2 Illawarra line from Wollongong to Port Kembla and Bomaderry (Nowra). Unanderra – Moss Vale.

N2/3 Southern line from Macarthur to north of Moss Vale. Picton – Mittagong loop line.

N2/4 Southern line Moss Vale – Goulburn.

N2/5 Southern line from beyond Goulburn to north of Cootamundra.

N2/6 Southern line at Cootamundra.

N2/7 Southern line from beyond Cootamundra to Junee.

N2/8 Southern line from beyond Junee to Albury.

N3/1 Southern branch lines: Crookwell, Taralga, Bombala, Canberra, Yass Town, Boorowa.

N3/2 Southern branch lines: lines south of Harden (except Batlow).

N3/3 Southern branch lines: Tumut and Batlow.

N3/4 Western line: Emu Plains to Mt Victoria.

N3/5 Western line: beyond Mt Victoria to Lithgow (excluding Zig Zag).

N3/6 Western line: Zig Zag.

N3/7 Western line: beyond Lithgow to Bourke.

N3/8 Western branch lines: beyond Orange to Broken Hill (including South Australian and Australian National Railways in NSW).

N3/9 Western branch lines: all lines except Orange – Broken Hill.

N4/1 Northern line: Cowan Bank to south of Gosford.

N4/2 Northern line: Gosford to south of Broadmeadow (including branches).

N4/3 Northern line: Broadmeadow/Newcastle to east of Maitland (including coal lines and branches).

N4/4 Northern line: Maitland to Werris Creek and branches.

N4/5 Northern line: New England (Werris Creek – Wallangarra).

N4/6 North-Western branch lines.

N4/7 North Coast line beyond Maitland to Coffs Harbour.

N4/8 North Coast line beyond Coffs Harbour to Queensland border, including branches.

N4/9 Victorian Railways 1600 mm gauge lines in NSW: Deniliquin & Moama, Balranald, Oaklands).

N5/1 Steam locomotives: class C30.

N5/2 Steam locomotives: classes C32 and C34.

N5/3 Steam locomotives: classes C35 and C36.

N5/4 Steam locomotives: class C38.  
N5/5 Steam locomotives: classes D50 to D55.  
N5/6 Steam locomotives: classes D57 and D58.  
N5/7 Steam locomotives: classes D59 and AD60.  
N5/8 Steam locomotives: classes Z12, Z13, Z14, Z15, Z16 and Z17.  
N5/9 Steam locomotives: classes Z18, Z19, Z20 and Z26.

N6/1 Steam locomotives: classes Z24, Z25 and Z27.  
N6/2 Steam locomotives: classes Z21, Z22, Z23, Z28 and Z29.  
N6/3 Steam locomotives: historic and X10 miscellaneous series.  
N6/4 Diesel and electric locomotives.  
N6/5 Powered coaching stock (petrol, diesel and electric).  
N6/6 Non-powered passenger rolling stock.  
N6/7 Freight wagons: 4 wheel and bogie hoppers and tank wagons.  
N6/8 Freight wagons: all other 4 wheel and bogie wagons.

N7/1 Service rolling stock.  
N7/2 Cranes.  
N7/3 Passenger and mixed trains hauled by steam locomotives (locations unknown).  
N7/4 Freight trains hauled by steam locomotives (locations unknown).  
N7/5 Trains hauled by diesel and electric locomotives (locations unknown).  
N7/6 Structures and signals.  
N7/7 Accidents.  
N7/8 Other railway operations (shunting, trackwork, small depots etc).  
N7/9 Public Works Department, Water and Sewerage (including Hume Dam on both NSW and Victorian sides).

N8/1 Sydney industrial.  
N8/2 Port Kembla: steelworks and other railways (Part 1).  
N8/3 Port Kembla: steelworks and other railways( Part 2).  
N8/4 Illawarra coal lines.  
N8/5 Illawarra, Southern and Lithgow industrial railways (excluding Port Kembla).  
N8/6: Broken Hill: Silverton Tramway: A and W class steam locomotives.  
N8/7 Broken Hill: Silverton Tramway: Y class steam locomotives, diesel locomotives, rolling stock.  
Mining company locomotives and miscellaneous.

N9/1 Newcastle: steelworks and industrial railways (Part 1).  
N9/2 Newcastle: steelworks and industrial railways (Part 2).  
N9/3 Newcastle: coalfields (Part 1).  
N9/4 Newcastle: coalfields (Part 2).  
N9/5 North Coast: timber, sugar cane and jetty railways.  
N9/6 Other locations.  
N9/7 NSW railway manufacturers. Miscellaneous.

N10/1 'Flying Scotsman' in Australia (all states).  
N10/2 Bicentennial trains (all states).  
N10/3 Museums: Dorriggo (all locations).  
N10/4 Museums (except Dorriggo). Amusement and theme parks.  
N10/5 Trams (including Parramatta Park).

## **VICTORIA**

V1/1 Spencer Street station: steam locomotives to 1937.  
V1/2 Spencer Street station: steam locomotives post 1937.  
V1/3 Spencer Street station: diesel locomotives and diesel railcars.  
V1/4 Spencer Street station: other.  
V1/5 Flinders Street and Princes Bridge stations. Spencer St – Flinders Street viaduct. Melbourne city underground loop.  
V1/6 Jolimont yard and workshops.  
V1/7 North Melbourne goods yard.  
V1/8 North Melbourne locomotive depot and others.

V2/1 Newport, Williamstown and Spotswood workshops.  
V2/2 Dynon depot: Victorian locomotives.  
V2/3 Dynon and South Dynon: trains and bogie exchange.  
V2/4 Dynon: non –Victorian locomotives.  
V2/5 St Kilda and Port Melbourne.  
V2/6 Richmond to Dandenong.  
V2/7 Beyond South Yarra to Sandringham.  
V2/8 Beyond Caulfield to Frankston.

V3/1 Beyond Richmond to Belgrave and Lilydale.  
V3/2 Glen Waverley, Alamein, Kew and Outer Circle.  
V3/3 Jolimont to Hurstbridge and Epping.  
V3/4 Beyond Spencer Street to Essendon Jct.  
V3/5 Beyond Essendon Jct to Broadmeadows, Somerton and Fitzroy.  
V3/6 Beyond Essendon Jct to Tottenham Yard.  
V3/7 Beyond Tottenham to St Albans.  
V3/8 Seddon to Williamstown and Werribee (including Altona line).  
V3/9 Dock lines and freight only lines (including Albion – Jacana and industrial sidings).

V4/1 Outer Melbourne branch lines: Whittlesea, Healesville, Warburton and Mornington Peninsula.  
V4/2 South Gippsland line and branches.  
V4/3 South Gippsland coal lines (album).  
V4/4 Beyond Dandenong to Warragul.  
V4/5 Beyond Warragul to Traralgon.  
V4/6 Beyond Traralgon to Orbost.  
V4/7 Branches off main Gippsland line to Orbost.  
V4/8 Duplication and electrification works from beyond Dandenong to Traralgon.

V5/1 North Eastern line (broad gauge): beyond Broadmeadows to Seymour (colour).  
V5/2 North Eastern line (broad gauge): beyond Broadmeadows to Seymour: trains hauled by S and H class locomotives (black and white).  
V5/3 North Eastern line (broad gauge): beyond Broadmeadows to Seymour: trains hauled by X and C class locomotives (black and white).  
V5/4 North Eastern line (broad gauge): beyond Broadmeadows to Seymour: other steam hauled trains and rail motors (black and white)).  
V5/5 North Eastern line (broad gauge): beyond Broadmeadows to Seymour: diesel- hauled trains.  
V5/6 North Eastern line (broad gauge): beyond Seymour to Albury: trains hauled by S, H, X and C-class locomotives.  
V5/7 North Eastern line: beyond Seymour to Albury: other steam and diesel-hauled trains.  
V5/8: North Eastern line: construction of standard gauge line: Melbourne to Seymour.  
V5/9: North Eastern line: construction of standard gauge line: beyond Seymour to Wodonga.

V6/1 Standard gauge line running (Part 1) (colour).  
V6/2 Standard gauge line running (Part 2) (black and white).  
V6/3 Standard gauge line: special trains.  
V6/4 North Eastern branch lines.  
V6/5 Shepparton area branch lines.  
V6/6 Beyond St Albans to Woodend.  
V6/7 Beyond Woodend to Bendigo.  
V6/8 Northern branch lines.  
V6/9 Kerang – Koondrook.

V7/1 Beyond Sunshine to Bacchus Marsh.  
V7/2 Beyond Bacchus Marsh to east of Warrenheip.  
V7/3 Warrenheip Bank: locomotive classes A, D and R.  
V7/4 Warrenheip Bank: other locomotive classes.  
V7/5 East Ballarat to North Ballarat (Part 1).  
V7/6 East Ballarat to North Ballarat (Part 2).  
V7/7 Beyond Ballarat to Mildura. Mallee branch lines.  
V7/8 Midland branch lines.

V8/1 Warrenheip to Geelong.  
V8/2 Western line: Lynton Jct to Stawell.  
V8/3 Western line: beyond Stawell to Serviceton.  
V8/4 Western branch lines.  
V8/5 Beyond Werribee to Geelong and Queenscliff (black and white and duplicates).  
V8/6 Beyond Werribee to Geelong and Queenscliff (colour).  
V8/7 South Western branch lines.

V9/1 Steam locomotives: classes A1 and A2.  
V9/2 Steam locomotives: class S.  
V9/3 Steam locomotives: class X.  
V9/4 Steam locomotives: class H.  
V9/5 Steam locomotives: classes C, J and K.  
V9/6 Steam locomotives: classes DD and D1 to D3.  
V9/7 Steam locomotives: tank engine classes DDe/D4, E, F, M and Z.  
V9/8 Steam locomotives: classes N and R.

V10/1 Steam locomotives: historic.  
V10/2 Steam locomotives: early passenger.  
V10/3 Steam locomotives: early goods.  
V10/4 Steam locomotives: 'Les Poole' set.  
V10/5 Diesel locomotives: classes A, B, C, G, S and X.  
V10/6 Diesel locomotives: classes F, H, M, N, P, T, V, W and Y.  
V10/7 Electric locomotives and electric multiple unit trains.  
V10/8 Railcars and trailers. Rail tractors.

V11/1 Passenger carriages (Part 1).  
V11/2 Passenger carriages (Part 2).  
V11/3 Passenger carriages: plans (Part 1): sitting cars and vans.  
V11/4 Passenger carriages: plans (Part 1): other.  
V11/5 Freight wagons: rigid wheel base (Part 1): open and tank wagons.

V11/6 Freight wagons: rigid wheel base (Part 2): other.  
V11/7 Freight wagons: bogie (Part 1): vans, tanks cars, hoppers, livestock.  
V11/8 Freight wagons: bogie (Part 2): other.  
V11/9 Freight wagons: plans.

V12/1 Service stock: brakevans (rigid wheelbase).  
V12/2 Service stock: brakevans, including luggage, mail and power vans (bogie).  
V12/3 Service stock: locomotives and carriage/wagon.  
V12/4 Service stock: permanent way, overhead wiring, signals and telegraph.  
V12/5 Service stock: cranes.  
V12/6 Passenger trains: location unknown.  
V12/7 Goods and mixed trains: location unknown.  
V12/8 Structures and permanent way: location unknown.

V13/1 Signals and safeworking.  
V13/2 Accidents: Melbourne area lines.  
V13/3 Accidents: Eastern lines.  
V13/4 Accidents: North Eastern lines.  
V13/5 Accidents: Northern and Midland lines.  
V13/6 Accidents: Western lines (excluding Serviceton 7 September 1951).  
V13/7 Accidents: South Western lines.  
V13/8 Accidents: location unknown.  
V13/9 Serviceton accident 7 September 1951.

V14/1 Narrow gauge lines: Upper Ferntree Gully – Gembrook (black and white, Part 1).  
V14/2 Narrow gauge lines: Upper Ferntree Gully – Gembrook (black and white, Part 2).  
V14/3 Narrow gauge lines: Upper Ferntree Gully – Gembrook (colour).  
V14/4 Narrow gauge lines: Wangaratta – Whitfield. Welshpool – Port Welshpool.  
V14/5 Narrow gauge lines: Colac – Crowes.  
V14/6 Narrow gauge lines: Moe – Walhalla.  
V14/7 Narrow gauge lines: location unknown.  
V14/8 Narrow gauge lines: locomotives.  
V14/9 Narrow gauge lines: carriages and wagons.

V15/1 Government tramways: Melbourne, Bendigo, Sorrento. Export.  
V15/2 Timber tramways: Warburton.  
V15/3 Timber tramways: Otway Ranges.  
V15/4 Timber tramways: Powelltown.  
V15/4a Timber tramways: Powelltown (duplicates).  
V15/5 Timber tramways: East Gippsland.  
V15/6 Timber tramways: Great Divide and north.  
V15/7 Timber tramways: location unknown.

V16/1 State Electricity Commission: Yallourn: locomotives and rolling stock.  
V16/2 State Electricity Commission: Yallourn operations Part 1.  
V16/3 State Electricity Commission: Yallourn operations Part 2.  
V16/4 State Electricity Commission: other than Yallourn.  
V16/5 Dams, public works, harbour trusts etc.  
V16/6 Metropolitan Gasworks.  
V16/7 Fyansford cement works.

- V17/1 Sunshine Harvester Works. Nowingi Gypsum. Cheetham Salt. Australian Paper Manufacturers.  
 V17/2 Museums and tourist railways (other).  
 V17/3 Ships. Buckland expeditions 1970s – 1988. Photos at unknown locations. Railways outside Australia.  
 V17/4 John Buckland's war service. Buckland family and friends. Non-rail travel in 1950s. Postcards from family and friends.  
 V17/5 John Buckland's 1950 visit to Europe.

## **QUEENSLAND**

- Q1 Brisbane Central to Exhibition, Newstead, Ferny Grove, Pinkenba, Shorncliffe, [Cleveland?] Caboolture. South Brisbane to Southport, Tweed Heads, Beaudesert, Cleveland.  
 Q2 Brisbane Roma St to Ipswich, Bundamba Loop. South Brisbane to Border Loop (standard gauge line to NSW).  
 Q3 North Coast line: Glass House Mountains to Rockhampton.  
 Q4 North Coast line: Rockhampton to Cairns. Cairns to Kuranda, Mareeba, Atherton Tablelands branch lines, Chillagoe, Forsyth. Normanton. Cooktown.  
 Q5 Townsville to Mt Isa. Rockhampton to Winton. Central Queensland coal lines (Part 1).  
 Q6 Central Queensland coal lines (Part 2). Mt Morgan. Moura. Gayndah. Monto.  
 Q7 Western and South-Western lines: Brisbane to Roma, Cunnamulla, Quilpie, Dirranbandi, Wallangarra and branches. QR steam locomotives AC16, C18/CC19, C19.  
 Q8 QR steam locomotives C13, C15, C16, C17, B11, B12, B13, B13 ¼, B13 ½, B14.  
 Q9 QR steam locomotives B17, B16 ½, B18 ¼, BB18 ¼, B15, B15 Con, PB15.  
 Q10 QR steam locomotives 6D11 ½, 6D13, 8D15, 4D10, 4D9, 6D13 ½, D16, D17, DD17. Mt Morgan rack locomotives. Early locomotives. Various small locomotives.  
 Q11 QR articulated steam locomotives. Diesel locomotives.  
 Q12 QR electric locomotives. Steam, petrol and diesel railcars.  
 Q13 QR freight and service rolling stock.  
 Q14 Tourist and miniature railways. Mining, port and non QR railways. Atherton Tableland mining lines.  
 Q15 Private and industrial tramways from Canungra to Fraser Island. Sugar mill trams from Ormeau to Nambour.  
 Q16 Sugar mill trams Bundaberg area.  
 Q17 Sugar mill trams from Mackay to Townsville.  
 Q18 Sugar mill trams Ingham and Innisfail areas.  
 Q19 Sugar mill trams from Cairns to Mossman and Bloomfield.

## **SOUTH AUSTRALIA**

- SA1 Adelaide city. Mile End/Keswick. Glenelg. Port Adelaide. Outer Harbour. Semaphore. Gawler.  
 SA2 Outer Harbour. Port Adelaide to Dry Creek. Gawler. Mile End goods and locomotive depot. Goodwood to Willunga.  
 SA3 Millswood to Mt Lofty.  
 SA4 Aldgate to Bordertown.  
 SA5 Serviceton. Wolseley to Mt Gambier, Kingston, Beachport and Glencoe.  
 SA6 Mt Pleasant. Sedan. Mt Barker Jct to Victor Harbour. Murray Lands lines. Barossa Valley. Morgan. Terowie. Spalding. Gladstone (broad gauge). Long Plains to Merriton. Lochiel. Wallaroo and Moonta lines.  
 SA7 Port Pirie to Broken Hill. Gladstone to Wilmington.  
 SA8 Peterborough to Quorn.  
 SA9 Port Augusta – Pichi Richi – Quorn – Marree (narrow gauge).  
 SA10 Marree to Alice Springs (narrow gauge).

SA11 Demolition of Marree – Alice Springs narrow gauge line. Port Augusta to Marree (standard gauge).

SA12 Port Pirie – Port Augusta - Whyalla. Eyre Peninsula lines.

SA13 Port Augusta to Kalgoorlie.

SA14 Tarcoola to Alice Springs (standard gauge).

SA15 Darwin to Birdum (narrow gauge). SAR broad gauge steam locomotive classes 500 and 520.

SA16 SAR broad gauge steam locomotive classes 600 and 620. Commonwealth Railways standard gauge steam locomotives.

SA17 Commonwealth railways narrow gauge steam locomotives. SAR broad gauge steam locomotives classes 700, 710 and 720.

SA18 SAR broad gauge steam locomotive classes 740, 750, R, RX, D, H, L, O, Q, S, F, K, M, N, O.

SA19 SAR broad gauge steam locomotive classes A, B, C, E, G, J, M, P, small tank engines, steam and manual cranes. SAR narrow gauge steam locomotive classes U, O, V, W, WX, Z, Y, YX.

SA20 SAR narrow gauge steam locomotive classes 300, 400, T, TX (broad gauge conversion). SAR, Commonwealth Railways and Australian National Railways (ANR) diesel locomotives.

SA21 SAR, Commonwealth Railways and ANR steam, petrol and diesel railcars and passenger carriages.

SA22 SAR and ANR freight rolling stock.

SA23 Commonwealth Railways freight rolling stock.

SA24 SAR and Commonwealth Railways signals. SAR water supplies. Murray River and harbour lines. BHP Whyalla to 1969.

SA25 BHP Whyalla from 1970. Coffin Bay. Rapid Bay.

SA26 Pichi Richi 1971-1988. SA industrial railways (Part 1).

SA27 SA industrial railways (Part 2). Pine Creek (NT). SA preserved railways and tramways.

## **WESTERN AUSTRALIA**

W1/1 Perth suburban area.

W1/2 Perth area to Kalgoorlie.

W1/3 Other non-metropolitan locations.

W1/4 Steam locomotives classes M (1<sup>st</sup>), E, A, C, D, B, G, K, I, J, F and Fs, Q, O, N, T, R and Ra, E and Es, U.

W1/5 Steam locomotives classes D and Ds, P, Pm, Pmr, M, Ms, Msa, D and Dm, U and Ut, W and V.

W1/6 Diesel locomotives.

W1/7 Rolling stock other than locomotives.

W1/8 Photos at unidentified locations, train operations.

W2/1 Timber railways.

W2/2 Pilbara iron ore railways (including locomotive 'Pendennis Castle').

W2/3 Preservation and tourist railways.

W2/4 Other railways.

W2/5 Phosphate railways Christmas Island and Ocean Island.

## **TASMANIA**

**Note: many of the Tasmanian photos are pasted onto sheets of paper, with three or four photos on each sheet. In some cases the same subject is found in more than one folder.**

T1 Tasmanian Government Railways (TGR) steam locomotive classes A, B, C, T, D, R, Q, L, DS. Little Henty bridge fire 1934. Pelican Point (Smithton). Mt Lyell. Australian National Railways (ANR) period diesel locomotives.

T2 Ida Bay. Bush Mill (Port Arthur). Tas Transport Museum. Second River Railway. Don River Railway. Mt Lyell Railway. Zeehan. Tullah. TGR steam locomotive classes A, B, C. North Lyell Railway locomotives.

T3 TGR, Emu Bay Railway and Mt Lyell Railway diesel locomotives and railcars. Passenger and freight rolling stock.

T4 TGR steam locomotive classes C, CC, CCS, D, DS, E, Q, R, L. TGR steam railcars.

T5 TGR diesel railcars. TGR steam locomotive classes G (ASG), Q, R, L, H, M, MA.

T6 TGR steam locomotive classes M (Garratt), P, Q, R.

T7 TGR steam locomotive classes Q, R, T, Launceston and Western Railway, K, J, G, H (Krauss). Steam railcars. Zeehan. Hobart.

T8 Marrawah Tram. Hastings. Lobster Creek. Raminea. Meander. Hopetoun. Renison Bell. Tasmanian Main Line Railway locomotives. Emu Bay Railway steam locomotives. Zeehan station and smelters.

T9 Tullah. Waratah. Magnet. Renison Bell. Zeehan. Beaconsfield. Tasmanian Charcoal Iron. Geeveston. Mt Lyell. Little Henty bridge fire 1934.

T10 Mt Lyell. Climax locomotive at Florentine. Dubs locomotive 1415. Blackman Bay. Marrawah Tram. Warrentinna. Sharps.

T11 (Part 1) TGR in northern Tasmania.

T11 (Part 2) TGR in southern Tasmania. Also Raminea, Ida Bay and Butlers Gorge.

T12 West Coast railways and tramways Burnie to Queenstown. Marrawah Tram, Bridport and Warrentinna.

T13 Hobart and Launceston electric trams.

T14 TGR steam locomotives, railcars, carriages and wagons.
