

Guide to the Papers of Sir Ernest and Lady Scott **MS 703** **CORRESPONDENCE INDEX**

All letters in the Scott Papers have been indexed under both the author's name and that of the recipient.

The number preceding the solidus (/) indicates the series in which the letter is located, and the number following the solidus gives the item number of the letter. In cases where an entire series consists of letters to or from one person, only the series number is given.
