

Guide to the Papers of Henry Boote
MS 2070
Correspondence Index

All correspondence in the papers has been indexed, the numbers below being underlined to indicate authorship, non-underlining indicating receipt of a letter. The figure preceding the solidus (/) indicates the series, figures after the solidus indicate the item, e.g. 1/252. Since the bulk of the correspondence is with Boote, letters to him have been indexed only under the writer's name, and not under Boote.
